

Sprite Island Yacht Club

If you want to keep up with the "Scuttlebutt around Sprite", you can join the Facebook group **Sprite Scuttlebutt**. Please note, the sale of boats, engines, boat tackle and moorings is allowed on this site, as we are a Yacht Club. However, as per our Handbook, Club policy prohibits the use of this site for solicitation of any other kind.

This is a "**closed**" group for Sprite members **ONLY** which means anyone can find the group but **ONLY** members can see posts. Any member of the group can add additional members, but an administrator or a moderator must approve them. To join the Sprite Scuttlebutt group you will need to be a Facebook user. Search for the Sprite Scuttlebutt group or click https://www.facebook.com/groups/SpriteScuttlebutt/?ref=group_cover and request to join.

We know that not everyone is on Facebook, so please rest assured that you will still continue to receive email via Constant Contact regarding all Sprite events. The Facebook Group is intended to facilitate member to member communications and to give committees the opportunity to interact directly with members.

In addition to posting boats, engines and boat tackle for sale, posts include:

- pictures of Sprite, members, families, friends, etc.
- lost and found items
- Social events as well as photos of same
- Capstan specials of the day
- Reminders that Sprite wear will be on island
- Reminders about events
- and the list goes on, as you can see.

We look forward to seeing your posts on the Sprite Scuttlebutt. If you have any questions, please contact Sara van der Voort at sara.vandervoort@gmail.com
